Auburn's Shun Baker reportedly committed to Auburn yesterday. The All-America tailback made the announcement on his twitter page. He joins 6-foot-3 running back Russell Hansbrough, 4-star corner/safety Kelvin Joseph, and 5-star DE LaBryan Ray as in-state commitments for Auburn. Baker tweeted his excitement following the commitments. Being able to announce a commitment at Auburn and being so close to Auburn is just a dream come true to me, I'm very happy and excited about it. This also means he'll be moving up to the fifth-best running back class in the nation. He had already been ranked as the seventh-best tailback in the country, but he will move up to fifth now that he's committed. And he's not alone.
